

Mr men party

How it works

All players jog/run around inside the playing area trying to stay in space.

The coach calls out any or all of these Mr Men characters arriving at the party and the players perform the following actions:

- Mr Rush** - players run quickly around the playing area;
- Mr Slow** - players move in slow motion;
- Mr Lazy** - fall to the ground and lie down as if asleep;
- Mr Bump** - players must gently bump shoulders with another player;
- Mr Small** - crouch down into a small ball;
- Mr Bounce** - bounce up and down on the spot or whilst moving around the playing area;
- Mr Jelly** - stop and wobble like a jelly;
- Mr Mischief** - try and tag someone else without being tagged.

The coach could make a signal for the players to return to a normal run/jog around the playing area or could just call out **Mr Jog**.

Players now dribble a ball and copy the following actions:

- Mr Rush** - players dribble quickly around the playing area;
- Mr Slow** - players dribble in slow motion;
- Mr Lazy** - stop the ball and lie down as if asleep using the ball as a pillow;
- Mr Bump** - players must bump balls with as many other players as possible;
- Mr Small** - crouch down and sit on the ball all curled up;
- Mr Bounce** - bounce the ball up and down on the spot or whilst moving around the playing area;
- Mr Jelly** - stop the ball and wobble like a jelly;
- Mr Mischief** - try and kick someone else's ball out of the playing area without losing their own.

The coach could make a signal for the players to return to a normal dribble around the playing area or could just call out **Mr Jog**.

Possible changes

There are many more Mr Men names you could think up actions for or have a Little Miss party instead.
